VERY GOOD RESEARCH CENTERS
ISEG ————

AT THE HEART OF LISBON

Lisbon is the beautiful 2,000 years old capital of Portugal, which is one of the most charismatic and vibrant cities of Europe. The traditional heritage blends with remarkable modernism and progressive thinking.

Lisbon is less than an 8 hours flight from North America, and within 3 hours flying time from most European cities. The international airport is only 7 km from the city centre.

ISEG is located in a lively neighbourhood in the city center, near the Portuguese Parliament, and is within walking distance of the Tagus river.

CULTURE

ISEG organises a series of cultural activities over the year, including musical performances, art exhibitions, book reviews, dance, theatre, cinema, and thematic debates amongst others. The classical music concerts deserve a special mention.

SPORTS

The University promotes several key sports, as well as the health and well-being of the academic community.

10 REASONS for studying at ISEG

1. ISEG Lisbon is the Economics & Management School of the top university in Portugal, Universidade de Lisboa
2. Internationally-recognised with accreditation by AACSB and AMBA
3. Wide offer of Bachelors, Masters and PhD Programs taught in English or Portuguese
4. International academic environment with students from more than 70 countries
5. Professional student Support and Careers Services
6. Powerful Alumni Association with 100 years of experience
7. Top-level faculty with PhDs from renowned international universities
8. Very good Research Centers which adhere to UN Sustainable Development Goals
9. Strong links with the business community and government
10. Located at the heart of Lisbon with unique historic facilities, modern technology and breathtaking views
