

## EDITAL

Having assessed the applications to the Master's Degree in Management and Industrial Strategy (1st stage), according to the previously established criteria, the coordinating commission of the Master's Degree programme hereby publishes the ranked list of the accepted applications, the rejected applications, as well as the applications that will be transferred to the second stage, thus complying with the provisions of number 6) of the Decision No. 65N/P/2014 of the President of ISEG, 18 December.

As all the candidates were considered one by one, the final classifications attributed to the candidates admitted, as well as the decisions to reject and transition some candidates to the 2nd phase, resulted from the vote of the members of the coordinating committee, constituted as a jury.
