APPENDIX

Admission and Ranking of Applicants to the Masters in Management (MiM)

Prerequisites

Applicants must hold a first degree of higher education by the end of the previous academic year to be able to enroll at ISEG's Masters of Management. International applicants should hold a similar overseas credential from a recognized higher education institution. Failure to prove the existence of such degrees before the deadlines leads to cancelation of the application in question, without any guarantee of future acceptance.

Calculation for the Grading of the Candidates

The ranking is based on a SCORE given to each candidate and determined in compliance with the following criteria. The Masters Coordinating Team may interview applicants where appropriate. This calculation refers only to those students who have met the preconditions.

Criteria	Weight	Points
(1) GRADES Highest academic degree (bachelor, master, etc.) average grade obtained OR Average grade in all course units completed up to now (for students without a degree yet)	50%	0-10
(2) SCHOOL / DEGREE Track record of the university and school(s) attributing the degree(s) in (1), according to international and /or national rankings available	20%	0-4
(3) ACADEMIC FIT Relevance of previous degrees' study field, quantitative knowledge and professional experience	15%	0-3
(4) MOTIVATION General assessment from the Interview and / or Motivation Letter	15%	0-3
