Admission and Ranking of the Student Applicants for the Masters in Finance

Prerequisites

To be able to enrol at ISEG's Masters in Finance, applicants must hold a Bachelors degree (licenciatura) by the end of the previous academic year. International applicants should hold an overseas qualification of a similar standard, from a recognised higher education institution. Failure to prove existence of such degrees before the deadlines, corresponds to cancellation of the associate application, with no guarantee of future acceptance.

Calculation for the Grading of the Candidates

1. The ranking is based on a Score awarded to each candidate and calculated according to the process described below. This only applies to students who have satisfied the prerequisites. Whenever necessary the Masters Coordinating Committee may decide to interview candidates. Most students are excused from the interview and their score is the weighted average of points according the Table A).

TABLE A) STUDENTS EXCUSED FROM INTERVIEW

WEIGHT	POINTS
(1) GRADE: Highest academic degree (bachelors, masters, etc.) average grade obtained. OR average grade in all course units completed up to now (for students without a degree yet). OR average grade in the course units made as extra curricula in the M. Finance of ISEG.	40% 0 - 20
(2) SCHOOL: Track Record of the university and school(s) attributing the degrees(s) in (1), according to international and/or national rankings available.	30% 0 - 20
(3) AREA: Relevance of previous degrees' study fields, quantitative knowledge and professional experience.	20% 0 - 20
(4) ENGLISH: certificates and/or language proficiency.	10% 0 - 20

2. In case the Masters Coordinating Committee finds an interview necessary, the score results from the weighted average of points according the Table B).
