

PUBLIC NOTICE

Having assessed the applications to the Master's Degree in Management and Industrial Strategy (3rd phase), according to the previously established criteria, the coordinating commission of the Master's Degree programme hereby publishes the ranked list of the accepted and rejected applications, thus complying with the provisions of number 6) of the Decision No. 65N/P/2014 of the President of ISEG, 18 December.

As all the candidates were considered one by one, the final score classifications attributed to the candidates admitted, as well as the decisions to reject, resulted from the vote of the members of the coordinating committee, constituted as a jury.

Accepted applications
