Fig. 1 above shows you the location of ISEG campus in the centre of Lisbon. The nearest underground stations are Rato (at a 20-minute down-the-hill walking distance) and Cais do Sodré (same distance, flatter).

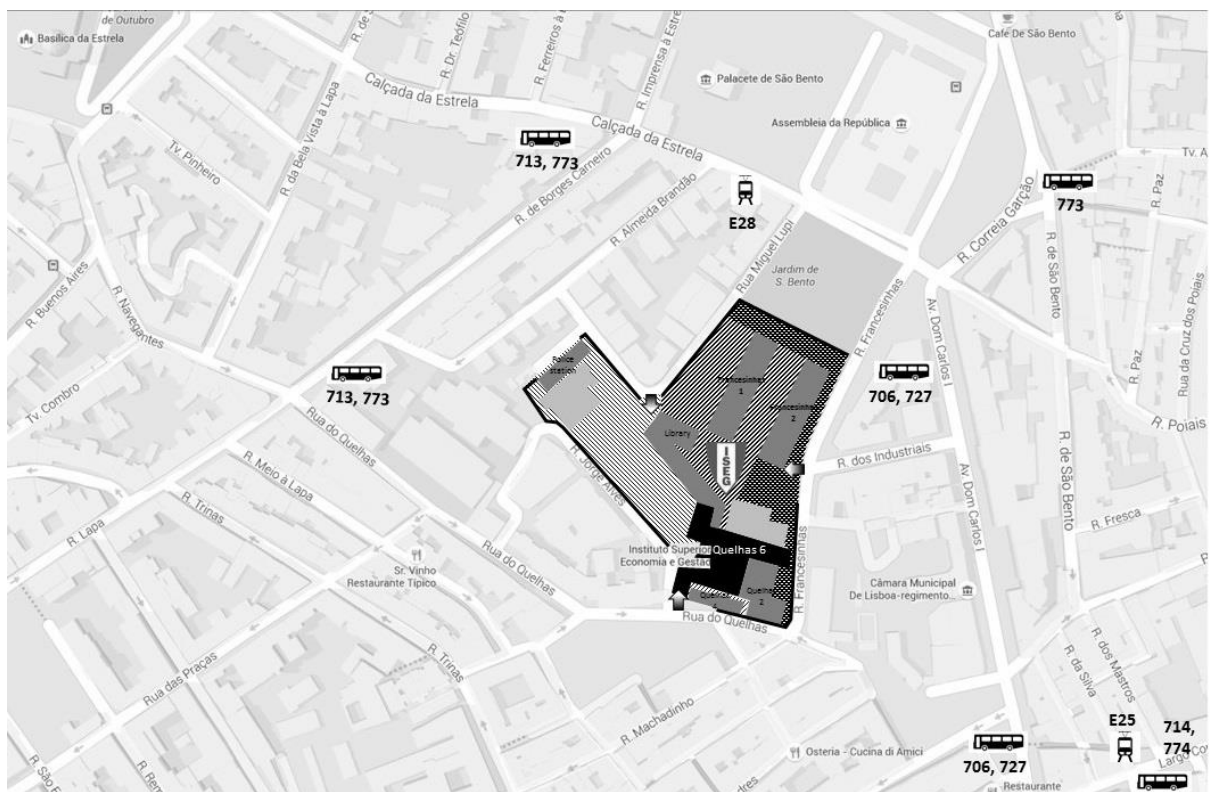

Fig. 2 above shows you ISEG campus in greater detail and nearby bus and tram stops. From Rato underground station you can catch either bus 706 towards Cais do Sodré or bus 727 towards Restelo (4 stops). From Cais do Sodré underground station you can catch bus 706 towards Estação Sta. Apolónia (5 stops).

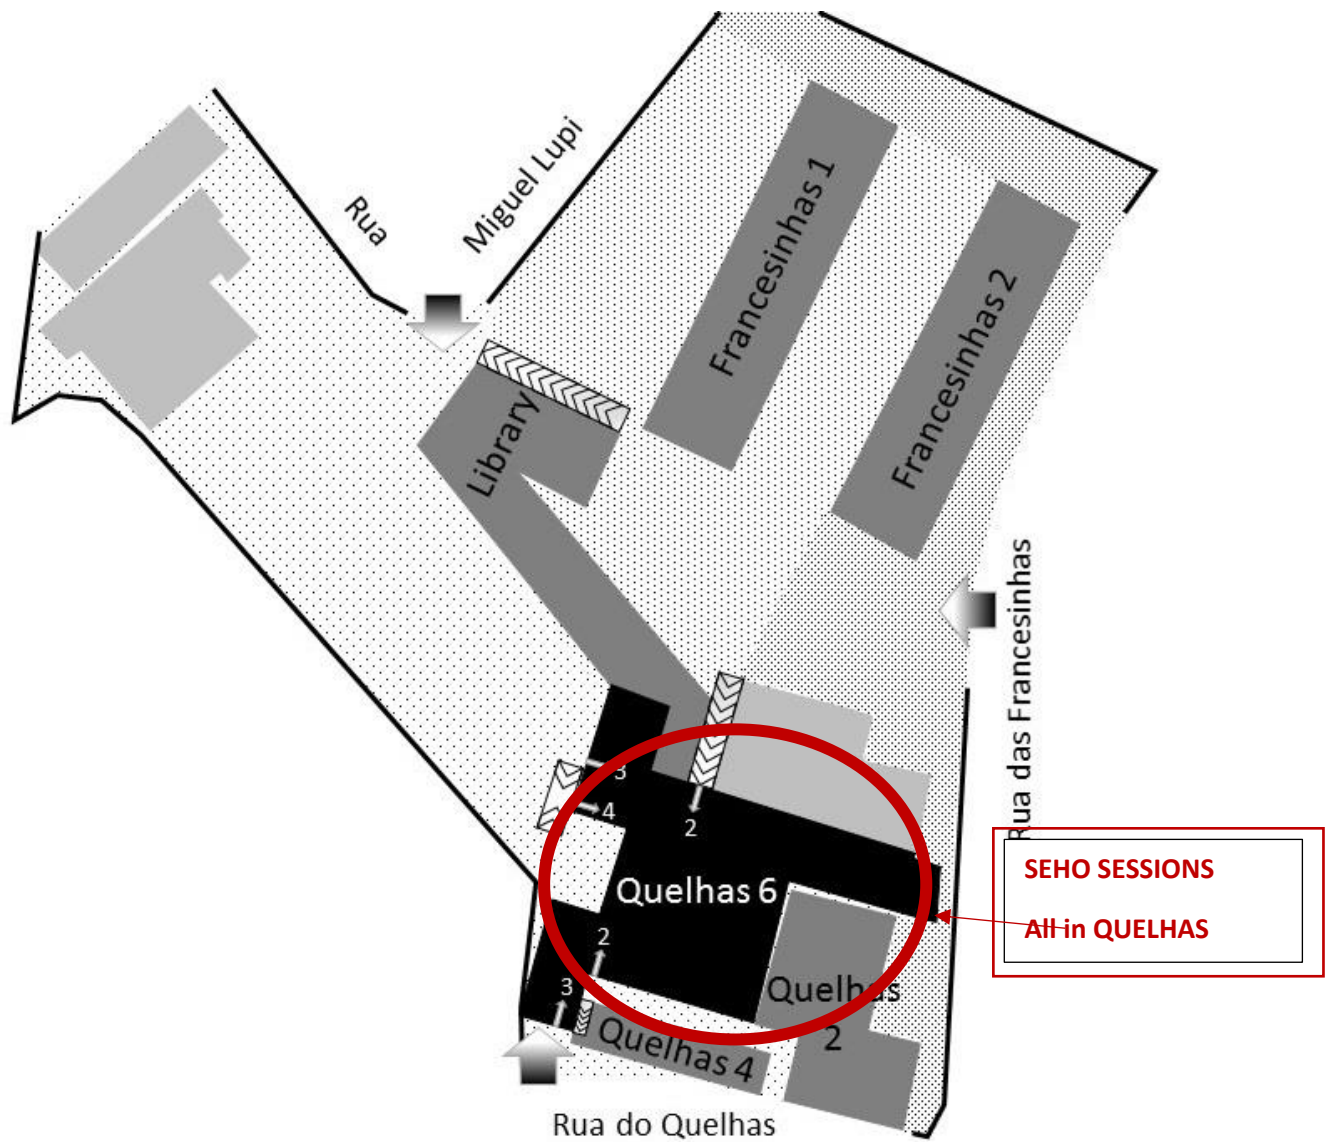

Fig. 3 shows you the detailed ISEG campus map. The three main entrances are signalled with large arrows. Doors to the Quelhas 6 building are signalled with small arrows and the associated numbers correspond to the floors to which the doors lead. Outdoor stairs are also represented with chevrons standing for the upwards direction.
