Masters *in* **Accounting**

*Open minds
for a better world*

Located in the center of Lisbon, **ISEG** has a long tradition and experience in research and teaching in Accounting. The **MASTERS IN ACCOUNTING** graduates will be fully prepared - according to the best international standards and practices - to work in financial accounting, managerial accounting and auditing in any organization, anywhere in the world.

*"My experience throughout the **Masters at ISEG Lisbon** was only positive on both a personal as well as an educational level. The quality of the professors and lectures compares well to international top level and I would make ISEG the first choice for my Master's again without a doubt!"*

BENEDIKT GRUNDHEBER

Senior Associate
