Welcome to next level of Accounting in the heart of Lisbon.

ISEG has introduced the Masters in Accounting in 2020, accredited by the Agency for Assessment and Accreditation of Higher Education (A3ES), that could be a great jumpstart to your career as an accountant, auditor or even chief financial officer.

Our Masters in Accounting's graduates will be fully prepared to work in financial accounting, managerial accounting and auditing in any organization, anywhere in the world, as we are following the requirements set by the best international standards and practices. Our school is particularly strong in the fields of finance and accounting, as recognised by the Financial Times rankings.

If you join us, we'll help you become a skillful player in any numbers game.

Top 6 reasons

to do a Masters in Accounting
@ISEG Lisbon

01.

Highly qualified faculty with PhDs from world-class universities (Harvard Business School, Tilburg University and Imperial College), who have an extensive professional experience in the industry.

02.

Uses a mix of instructional methods, from case studies, group projects and role-playing to individual research, which creates a **dynamic learning environment**.

03.

Benefits from **partnerships with the Big 4 consultancy companies**, where students can obtain access to experts in the field of real-life cases.

04.

Provides students with a **clear mindset** for an international career in accounting.

05.

Gives students the opportunity to **become certified accountants**.

06.

A one-year full-time programme (plus one semester for the master's project, dissertation, or internship) preparing students to stand out in a competitive marketplace.

Miguel Malato Correia

Associate - Credit Sales

Goldman Sachs, London, UK

“

Today I am sure I could not have made a better choice! The strong practical component, culture of excellence and the encouragement towards critical thinking have prepared me for the highly competitive professional world, giving me all the skills I need to succeed. I met amazing people while studying there, made great friends and learned with world-class professors, who never failed to help or give me advice.

10 things you gain by joining ISEG

01.

You enrich your curriculum. ISEG Lisbon entered the prestigious **Global Financial Times FT Rankings** in 2020, with the Master in Finance, and is accredited by **AACSB**, a distinction earned by only 5% of business schools in the world.

02.

You feel safe. **ISEG's campus is certified COVID-SAFE**, a guarantee of safety and readiness to adapt to the pandemic crisis.

03.

You're always connected. All classrooms are **technologically fully equipped**, for a perfect learning experience, whether it's online, in-person, or hybrid.

04.

You broaden your horizons. ISEG is part of the **University of Lisbon, the leading Portuguese university** according to the selective Shanghai Ranking (ARWU) and has an impressive list of partnerships with top-ranked international schools.

05.

You live like a "lisboeta". ISEG is perfectly located for **Lisbon's downtown lifestyle experience**. It's a vibrant, multi-cultural and cosmopolitan European capital.

06.

You're surrounded by knowledge. ISEG's **high quality research** centers are engaged in a diverse array of international research projects.

07.

You're part of an inclusive club. ISEG has a large, diversified, global network of **talented and successful Alumni**.

08.

You become an asset. **ISEG graduates are highly desirable to top employers** both in the private and in the public sector, all over the world.

09.

You join a **winning team**. ISEG students and faculty are well known for winning international and national awards for best case studies, best dissertations and research output, applied projects, as well as in student competitions such as the CFA Challenge or the Junior Achievement Awards.

10.

You grab your future. ISEG students benefit from a **collegiate and open-minded atmosphere, in which the United Nations' Sustainable Development Goals (SDGs) play a special role**, leaving them well prepared in quantitative subjects to become influential and conscientious leaders.
