# Welcome to the next level of Economics in the heart of Lisbon.

ISEG is the place to go if you want to go places. We have a long tradition of Economics studies and a large experience in research development. Our Masters in Economics builds up the perfect pathway for your career to move forward. Who knows, maybe it could help you land your dream job.

At ISEG, you'll get a two-year master's programme that complements, and builds on, the knowledge gained from a Bachelor's degree in Economics. Its main objectives are to provide every student with an advanced background in economic theory and with the skills and empirical techniques they'll need to thrive on the current economic reality.

The challenge is set.  
Are you up for it?
