## 110! THE SUPERCENTENNIAL OF ISEG

*A University which "makes a School" does this by way of free, innovative, and plural thinking regarding Economics through to Management, based on informed debate and a profound and genuine concern about the social contextualisation of major individual, business, and political decisions.*

*Since 1911 we have been providing opinion leaders who influence both the country and the whole world. Here we are, again!*

Clara Raposo  
Dean of ISEG

The first School of Economics and Management in Portugal, which was officially founded in 1911, turns 110 years old on the 23rd of May, which is ISEG and Alumni Day. It's time to celebrate! As it turns 110 years old, the centenary-old School enters the supercentenarian category: which leads to an increase in responsibility and the desire to continue to be ever present at the centre of the major economic and business decisions of the future – in both Portugal and the world. We are going to celebrate with a very diverse programme on the 20th, 23rd and 24th of May. Everyone is invited to watch the celebrations online, [on ISEG's Youtube channel](#).

We highlight the **Antena 2 concert entitled "100 years of Astor Piazzolla"** which will be broadcast live from ISEG on the 20th of May. On the 23th of May we will host a live concert with **Dino d'Santiago** on our campus.

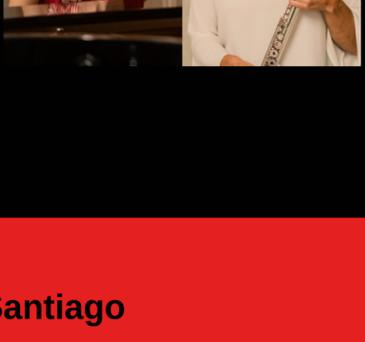

On the 24th we will have a concert by the Band of the Air Force, a Knowledge Lecture by Professor Falcão Casaca, PhD, and an Official Ceremony with prize-giving, chaired by the Magnificent Rector of Universidade de Lisboa, which will include messages from His Excellency the President of the Republic, Professor Marcelo Rebelo de Sousa, PhD and the Secretary-General of the United Nations and Doctor Honoris Causa of Universidade de Lisboa, António Guterres. We will end the day with a musical moment led by our Economics Tuna musical group. The event will be in Portuguese, with simultaneous translation in English.

We are giving you all the details about this celebration right away, below. Don't miss out!
