Courses and Schedules

ITU has **100% English Programs** in which all courses are given in English as well as **30% English Programs**. Erasmus students must register to the courses in English. The course codes ending with "E" are offered in English (i.e: KMM 102E). However, if you can show a certificate of Turkish or you are a native Turkish speaker, you can also take the courses in Turkish.

Students in thesis period must select the course title, "Thesis Study" for the course registration and find the appropriate thesis advisor from the faculty web-site before their arrival. Turkish language courses are given with the code **"YTO"** but they have no credits and no grade, and are listed on a Fail/Pass base on the transcript.

Course Lists

Look for appropriate undergraduate and/or graduate courses depending on your semester term at ITU. You can select your courses from the lower and/or upper classes as long as it is within the same semester term. You can also check out the course contents by clicking on the course codes.

- **Undergraduate Courses**
- **Graduate Courses**

You find all useful info such as the name of instructor, day and time of the course in the course schedules part. Please check out the course schedule **as of the specified date in academic calendar** to see which courses are open and to make sure there is no overlap in the schedule. If you cannot see your interested course in the schedule, it means it is not open for that semester. In case of overlap in the schedule, you cannot register to both courses. Please select one.
