Social skills and competences

- **Team Work:** I've experienced the relevance of team working in several situations and enjoyed. I've played football for 14 consecutive years in different cities and teams.
- **Intercultural skills:** Provided by my family diversified cultural background and by my personal experience in European countries such as the 6 months passed as Erasmus student in Czech Republic.

Organisational skills and competences

- I've collaborated with Dynamic Junior Consulting; a university junior company specialized in Management and IT consultation and advisory for small companies at ISCAC/IPC, in Coimbra
- While studying in Coimbra I've worked in part-time regime to **McDonalds Portugal, FNAC Portugal and Texto Editores.**

Technical skills and competences

- The school where I've accomplished my higher education degree has a strong tradition in the Business and Administration field;
- Significant Accounting and Management training during the bachelor period in ISCAC/IPC

Recent Complementary Education and Relevant Courses

- Project Management Planning Techniques;
- Software Testing - Implementation and Verification and Validation Techniques;
- Design of Information Systems - Guidelines, Techniques, and Practices;
- C# 3.0 Programming in the .NET Framework.

Additional information

"I love my family and friends.

I consider myself strong and ambitious, but humble enough to understand and accept the importance of progressive and constant learning. I believe that Freedom potentiates our strongest skills but we should not underestimate the negative consequences resulting from lack of rigor and indiscipline; Balance is the answer! Travelling with my books while listening to good music, constitutes to me the perfect way to discover a bit more about myself, a bit more about the others and a bit more about Culture(s)"...
