Dijon campus: BSB manages limited offers in public student residences ([CROUS](#)). Students will receive application instructions once admitted.

Health Insurance

All students are required to have health insurance covering medical expenses for one semester or the full year:

- **European students:** will have to bring their European Health Insurance card and will then be exempted from registering to the French Student

Health Insurance. **Please note the EHIC does not cover repatriation and hospitalization costs.**

- **Non-European students:** MUST subscribe to the free [French Health insurance system](#) upon arrival; in addition, they can sign-up for top-up health insurance ("*mutuelle*") for a better reimbursement of their medical expenses.

Highly recommended: private health insurance to cover you on arrival, for the first 3 months, especially for repatriation and hospitalization during your whole stay.

Other Compulsory Insurances

It is compulsory for all students living in France to subscribe to:

- **Civil liability insurance** "*Assurance Responsabilité civile*" (it may be included in the traveling insurance)
- **French housing insurance** "*Assurance multirisques habitation*" covering at least water & fire damage. This insurance is required within the first week of the accommodation contract.

You can take out insurance cover (which usually includes both liability insurance and insurance policy) with the company of your choice or a bank when opening a bank account in France.

Housing Benefit

Exchange students can apply for housing benefits from the French government ("[CAF, Caisse d'Allocations Familiales](#)") under certain conditions and according to the type of visa they have. Please note that students might need to open a French bank account before applying to CAF. Students will also need to provide a copy of their birth certificate translated into French. (Please note that some languages are not available in France for official translation).

Cost of living

Average cost (€/month)*	Dijon	Lyon
Accommodation	€400-€700	€600-€900
Food	€200-€300	€200-€300
Other expenses	€200	€200
TOTAL	€800-€1200	€1000-€1400

*Expenses are calculated for one person. Personal expenses may vary according to each student's lifestyle

Additional costs:

Visa validation: Compulsory - Long stay visa holders will have to register to the French Office of Immigration and Integration ([OFII](#)) during the first three months of their arrival in France and pay a tax fee (fiscal stamp around €50) to process their visa.

Student union fee (applicable to all BSB students, not compulsory): This fee gives students access to reduced rates for student clubs' activities. Payment should be done upon arrival (60€ for one semester, 110€ for the full year).

Inductions days and Arrival

COMPULSORY induction days take place before the beginning of classes to help students to settle in France (administrative workshops, visa validation support, accommodation matters...).

During these sessions, exchange students will meet with our BSB international student clubs. Students are invited to get in touch with them for a better experience.

A free pick-up service at Dijon and Lyon train stations may be provided on specific dates which will be released in due time for each term. This service is subject to the availability of our student clubs.
