What the program offers:

- Work with a diverse team of aspiring entrepreneurs from Transylvania and around the globe
- Tackle real-world challenges with UBB FSEGA professors
- Experience in one week the highs and lows of building a venture, something that usually takes 2-3 years
- Immerse in the dynamic and high-energy entrepreneurial ecosystem of Cluj-Napoca
- Participate in a pitch competition where students will receive feedback from a team of judges

Target audience of the program:

The target students for this program are bachelor's and master's students from our partner institutions. The maximum number of students participating in this program will be 20.

Location for the program

Considering its position in the most important university worldwide rankings by subject, the Faculty of Economics and Business Administration (FSEGA) of the Babeş-Bolyai University (UBB) in Cluj-Napoca (Transylvania, Romania) is the best Romanian higher education institution in Business & Economics. UBB FSEGA has been an integral part of UBB since 1961, with its origins tracing back to 1878, when higher economic education was established in Cluj. Today, FSEGA is the largest faculty of UBB and of any Romanian university, with about 8,600 students enrolled in its Bachelor, Master, or PhD programs in the 2024-2025 academic year.

Accommodation

Program fees include accommodation from September 14 to September 20. You will be sharing a three-person room in a student residence close to FSEGA and within walking distance of Cluj-Napoca city centre.

Lunch and refreshments (fruit, coffee, and tea) will be provided each day and are also included in the fees.
