## HEALTH INSURANCE

All students going abroad are required to purchase or subscribe to health. Partner universities may also require students to purchase the university's health plan.

ISEG recommends citizens of EU/EEA countries or Switzerland should register for a European Health Insurance Card (EHIC) in their home country before coming to France. This card gives students the right to medical care at the same cost as France.

## ACCOMMODATION & HOUSING

*(Students are responsible for finding their own accommodation but may get support from the host institution)*

Be careful, housing scams do happen sometimes. Check everything carefully before transferring any large sums of money abroad. Students are responsible for finding their own accommodation.

Please consult the [Welcome Guide](#).

In case you require specific arrangements, please contact the inclusion department. More information may be consulted [here](#).
